

## **The Scandinavia-Japan Sasakawa Foundation**

The foundation is open for applications for its annual allocation of grants.

### **The deadline for applications is 15 February 2012**

The objective of the foundation is to enhance exchange of knowledge and understanding between Japan and the five Nordic countries. Financial support is granted to research, development, education and training within medicine, the humanities, social and natural sciences, technology and culture.

You can find detailed guidelines and the mandatory application form on [www.sjsf.se](http://www.sjsf.se)
